We live in a world full of bad news. The gospel truths shared with the early church at Rome echo into our day, reminding us that we still have good news to embrace personally and to share with others. In this six-week study of the Book of Romans, we will be highlighting significant concepts regarding the good news about faith, grace, daily life, God’s plan, relationships, and eternity.

Other studies offered on Monday evenings and Thursday mornings may be added, but will be announced later in December.
