

The Board of Property Management

The Board members implement multiple projects for the grounds and buildings each year, participate in organized work days, and help other ministry boards with volunteering. May provide property or building assistance such as set up and tear down for 11 a.m. Contemporary Service, Wednesday Night Dinners, special events, etc.

Red Cross Blood Drive Team

The Blood Drive Team members serve twice a year making donors feel welcome, comfortable, and appreciative of the time they take to make a blood donation. Volunteers help with check-in, providing homemade treats, and serving those treats in the canteen.

The Board of Community Life

The Board of Community Life's (BOCL) mission is to bring Corinth's church family closer through fellowship activities and oversee several events throughout the year such as Sign-up Sundae, New Member Sundays, Donut Sunday, Graduation Sunday, etc. Volunteers help host these events and more throughout the year

Communion Preparation Team

The Communion Preparation Team prepares communion elements on Saturday once a month for all three services. Some team members clean up the elements after services on Sunday. It is a privilege to prepare the Lord's table each month.

Library Committee

The Library Committee makes a variety of Christian books, videos, audiobooks, etc., available to the Corinth family to enrich their walk with Christ. We try to have recent books by popular authors available. Serve Sunday mornings or Wednesday evenings.

Other Ministry Areas

Other areas include Music Ministry, Special Services Team, Youth Ministry, and Prayer Team.

Contact Patter Cross (patter@corinthtoday.org) for more information on any of Corinth's ministry areas.
