### Office Hours

Mon-Thurs 9:00am — 4:00pm  
Fri 9:00am — 12:00pm

**On Sunday, September 5, we showed our support to the healthcare workers in our community.** We delivered gift cards, food, and notes of encouragement and gathered outside of hospitals and medical offices to pray and worship. Our support was truly appreciated and we received many thank you notes, emails, and texts. We continue to pray for our healthcare community and all of those impacted by the pandemic.

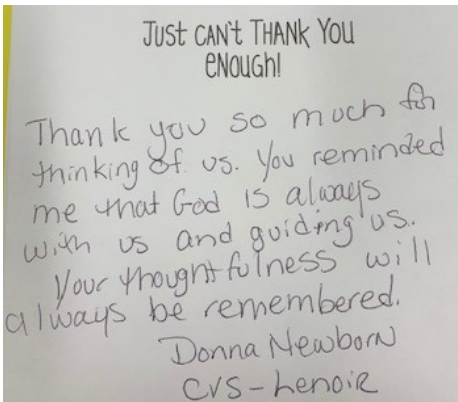

Please pass my gratitude onto everyone involved with the gift bags for myself and the Respiratory Therapy Team. It was a great "pick me up" for our department. I also appreciate the prayers! Additionally, I appreciate the Thank You card I received in the mail from our wonderful church. - Brad Olson

Thank you again for yesterday. My techs were beyond blown away by the thoughtfulness of Corinth, they often feel like the forgotten healthcare workers. - CVS pharmacist

Opened my card  
That is the sweetest gesture  
Everyone is so anxious right now I know I am and that is a perfect bible verse to help through these crazy times  
What a thoughtful great idea !

**Thank you text from Anna Parmenter, CVS pharmacist**

"You should have seen the techs faces. They were so grateful on a pretty bad day. The church's gift was really amazing. Thank You!" - Gregg Eady, pharmacist
